Gain a FULL working knowledge of the latest legislation regulating the EIA process required for environmental authorisation, waste management licences, atmospheric emission licences (AELs) and water use licence applications (WULAs) as well as appeals, amendment applications and auditing.

The course will cover all legislation regulating EIAs and environmental licence applications and draw the linkages between them, as well as unpack key terminology and concepts, and present guidelines, and case law.

Who should attend?

The course has been designed to be applicable to candidates working in the environmental Industry

- Environmental Officers/Managers
- Environmental Specialists/Advisors
- SHE & SHEQ Officers/Managers
- Environmental Risk Officers/Managers
- Environmental Health Practitioners
- Project Managers, Environmental Consultants

Your Expert Facilitator

Janice Tooley | MSc (UKZN), LLB (UNISA)
Janice Tooley Attorneys

Janice Tooley is a practising attorney specialising in the field of environmental law. She has extensive experience in environmental legal compliance, including legal compliance audits, legal registers, responding to compliance notices and directives and generally assisting clients better understand what is required of them in terms of environmental legislation.

In addition to her LLB degree, she holds a Master of Science Degree in environmental management and prior to taking up law, was an environmental management consultant for 13 years. Her qualifications and experience in both law and environmental management gives her valuable insight into the Practical on of environmental law and she finds it extremely fulfilling to share her knowledge and experience through these training courses.
